Contact: Keith Francis, Branson assistant public works director, 559 - 5608

Nighttime work on Branson Hills Parkway over next two weeks

Road crews will be working on a portion of Branson Hills Parkway beginning Monday, October 10 and continuing through Friday, October 21, which will cause traffic delays.

Construction crews will be milling Branson Hills Parkway between Wintergreen near the Highway 65 interchange west to the new McDonald's by the Supercenter starting Monday. The work will be done during nighttime hours beginning at 7:30 p.m. and continuing until 6 a.m. the following day.

Then during the week of October 17, road crews will return and overlay the same section of Branson Hills Parkway also during the same nighttime hours, 7:30 p.m. to 6 a.m.

Motorists can expect delays in that area during the next two weeks as the milling and overlay will close lanes on the parkway. Drivers are urged to watch for and obey signs and workmen directing traffic.
